Subject: Sponsorship Confirmation for Website Development

Dear All,

We are pleased to extend this offer to engage you in developing and enhancing our website for Avdhoot Residency, aiming to improve our online presence and streamline booking operations. After careful consideration, we believe your expertise aligns well with our objectives, and we are excited to collaborate with your team members.

Project Scope

The primary objectives for the Avdhoot Residency website are:

1. Designing a User-Friendly and Responsive Interface for Booking
2. Implementing a Real-Time Room Availability and Booking System
3. Enhancing Customer Support and Engagement through Online Chat and Feedback Modules

Terms of the Engagement

Confidentiality and Ownership: All project details and deliverables will remain confidential. Avdhoot Residency will retain ownership of the final solution and its associated intellectual property.

We expect you to work collaboratively with our team to gather requirements, provide regular updates on progress, conduct testing, and ensure the successful launch of the website.

Thank you for partnering with us on this journey. We look forward to achieving significant results together.

Warm regards,

Avdhoot Residency Officials
